VII. The First Stage Adding/Dropping Course (1/11)

A. System Rules

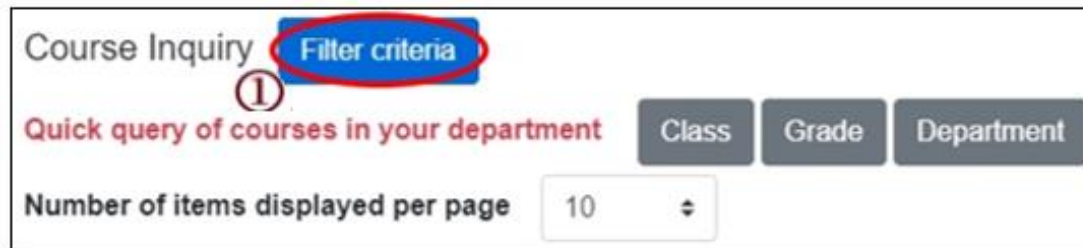

- (1) Students who register first will be enrolled first, and complement orderly.**
- (2) In the event of the same waiting order, students with a high answer rate in teaching evaluations will be given priority in filling vacancies, without considering the class's answer rate. However, for those with the same answer rate in teaching evaluations, filling vacancies will proceed based on the registration time recorded for the waitlist.**
- (3) The "Waiting list Number" will be changed at any time in the 2nd semester course:**
 - 1. During this stage, the final teaching assessment questionnaire is still being processed. The information on the completion rate of teaching evaluation will be updated to the course selection system every hour and re-ordered. Those with the same answer rate in the teaching evaluation will be assigned based on the registration order for the waitlist.**
 - 2. Factors such as "student withdrawal", "Waiting list Success", and "Waiting list Cancellation" will re-affect the change in the order of "Waiting list Number".**
- (4) Those who have already chosen one of the following courses, and can't be allowed to select another of the same category:**
 - 1. Compulsory PE course**
 - 2. Elective PE course**
 - 3. Military Training course**
 - 4. Extended General Education elective courses (except those college-designated general ethics courses)**
- (5) Courses that are successfully complemented will be automatically included in the "Course List". No longer displayed in the "Waiting List".**
